

GLORIOUS TWENTY YEARS OF MET

On completion of glorious 20 years of MET,
Let us all be proud and celebrate,
Let's remember everyone's valued contribution,
And appreciate the trustee's rare vision.

MET has just completed twenty years,
It is well known, as if, it existed for 100 years,
It is the name, fame and its growing reputation,
That attracts students to MET's all institutions.

MET is an unique organisation,
Others are scared of its competition,
It has the best infrastructure and wherewithal,
But it is the love for its people that beats all.

Let us now rededicate ourselves to MET's
noble cause,
Lets give due credit to the management
with loud applause,
Lets provide quality education to everyone,
Let MET be the torch bearer in the field of education.
