

# SAJID KHAN - Bollywood's Leading Personality

## @ MET INSTITUTE OF MASS MEDIA

Sajid Khan was here for an informal tete-a-tete with the budding film makers at MET Institute of Mass Media. In his trademark tongue-in-cheek humourous style, he led the interactive session and shed light on the existing film making styles and trends. He also guided the students on how to choose a potential script and a good producer to produce the film.

He explained the nuances involved in selling one's skills and talents to correctly exploit the film market.
