2. Should a student leave after joining the course and if the seat consequently falling vacant has been filled by another candidate by the last date of admission, the Institution must return the fee collected with proportionate deductions of monthly fee and proportionate hostel rent, where applicable.

XI CRITERIA AND WEIGHTAGES FOR ADMISSION

- ❖ Describe each criteria with its respective weight ages i.e. admission Test, GD, Interview etc.

Total marks secured by the candidate in the subject Physics, Chemistry and Mathematics/Biology out of 200 marks in MHT-CET examination are considered for deciding the merit of the candidate.

In case of a tie the marks secured by the candidate in the subject of biology/Mathematics followed by marks secured in chemistry followed by marks secured in Physics are taken into consideration. Still if there is a tie, marks secured at S.S.C. examination are considered.

- ❖ Minimum level of acceptance:

Only students who have appeared for the MHT-CET examination are eligible for admission to B. Pharm. Course. The minimum eligibility criteria for appearing for MHT-CET examination and hence for admission to the B. Pharm. Program is as follows:

The candidate should have passed the HSC (Std.XII) examination of the Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry, Mathematics/Biology and secured minimum 50% marks i.e. 150 marks out of 300 marks (45% marks i.e. 135 marks out of 300 marks for backward class category candidates from Maharashtra) in the subjects of Physics, Chemistry, Mathematics/Biology added together.

- ❖ Cut-off levels of percentage & percentile scores of the candidates in the admission test for the last three years-

The minimum and maximum marks of students admitted to the course in the last three years are as follows-

Year	Minimum	Maximum
2006 – 07	66 out of 200	171 out of 200
2007 – 08	67 out of 200	140 out of 200
2008 – 09	52 out of 200	131 out of 200

- ❖ Display marks scored in Test etc. and in aggregate for all candidates who were admitted for B.Pharm first year.

❖ **Internal Continuous Evaluation Systems and Place.**

At least three sessional examinations are held every year for the purpose of internal assessment. Sessional marks are calculated as the average of the best two performances at these examinations. These marks are submitted to the University of Pune before commencement of the University examinations. A candidate failing in any of the University examinations has a chance to improve sessional marks.

For each subject the examination scheme is as follows:

Theory					Practical				
University		Sessional		Total	University		Sessional		Total
Hours	Marks	Hours	Marks	Marks	Hours	Marks	Hours	Marks	Marks
3	80	1	20	100	4	80	3	20	100

Apart from the sessional examinations mandated by the B. Pharm. curriculum of University of Pune, the college also conducts class tests in each subject. The marks are displayed on notice board and discussed during the parents meet. Weak students are identified during the class tests and provided special training.

❖ **Students assessment of faculty, system in place-**

Students fill a feed back form about the institution and faculty for each subject at the end of each academic year. The feedback is critically evaluated and the statistical findings of the evaluation are discussed at the staff and Governing Body meeting to arrive at measures to improve the academic standards. The format of the feed back form is as below:
