Post Graduate Diploma in Management (e-Business)
MET League of Colleges

Just a stone’s throw away from the Arabian Sea, is an institution that is creating waves. Because, it is quite simply, a cut above the rest. The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp.

Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faceted oasis of knowledge. Its premiere educational institutes conduct university accredited and autonomous programmes. The grant of the ISO 9001:2008 certification is an acknowledgment of the institution’s capability to deliver professional education that meets the highest standards of professionalism worldwide. All this, to help young professionals face the challenges of life. And make their mark in the corporate world.

MET has a wi-fi campus with state-of-the-art AC classrooms. Three e-enabled libraries that docks over approximately 40,000 books 200 periodicals and 3,700 international online magazines and databases. Fully loaded information and technology centres with wi-fi connectivity.

Conference rooms equipped with the latest audio-visual facilities and learning aids to create a quasi-corporate ambience. A hi-tech convention centre for seminars and management workshops. Recreation areas to unwind. No effort has been spared to create an environment that encourages students to push the limits of their minds.

At MET, students are treated as managers under training. Training is imparted round-the-clock, seven days a week. Projects and assignments are given utmost importance and students learn on the job. Application oriented knowledge, garnered in the lecture halls is applied to industry assignments. The faculty spares no effort to make the students razor sharp, so they make their mark in the corporate world.
PGDM (e-Business)

Post Graduate Diploma in Management (e-Business) is a pproved by All India Council for Technical Education (AICTE) and recognised by Government of Maharashtra.

With the development of e-empowered business solutions, tools and databases, the professional manager has since been greatly empowered to provide direction and dynamism to industry. Therefore it is critical that e-Business is integrated not merely as an option to decision-making, but as the medium and lingua-franca of the world of business. In order to appreciate business realities and nuances the world over, it is critical that these inputs are delivered to the aspiring managers at the right time so as to enrich their decision-making capacity.

It is true that a plethora of softwares and languages are delivered at the doorstep of industry, but one needs to identify the critical inputs and train the professionals to use them decisively with success. This is precisely the purpose of the PGDM (e-Business) programme.
