

NOTICE

MET/IOM/Notice/22-23/05

Date: July 15th, 2022

We are glad to notify all students and staff members that we have launched the "NATIONAL INNOVATION AND STARTUP POLICY (NISP)" on 15th July 2022. The objective of NISP is to identify student innovators, promote and support them to evolve self-sustaining business models. It works to cultivate the innovation ecosystem within the university to harness the entrepreneurial potential of the young minds. It builds a supportive and vibrant environment to stimulate the innovation attitude of the student entrepreneurs, startups / SMEs and enable them to design technology-based products and services leading to job creation for strengthening the regional and national economy.

Students those have any innovative idea and want to establish a successful start-up are advised to contact the following faculty of their branch. The nominated faculties will help them to show direction to avail pre-incubation and incubation facility.

Date	22-08-2022
Timing	11.30 AM
Program Type	NISP Awareness
Mode	Offline
Participants	60 Students 2 Faculties
External participants (If any)	Speaker : Dr. Santosh Jaju, Dean (R&D), G. H. Rasoni College of Engineering, Nagpur
Social Media Links	
Theme of activity	Innovation and Entrepreneurship
Objective (100 Words)	On 12th August 2022, MET Institute of Management completed one year of starting MET IOM Institution’s Innovation Council. On this occasion, Dr. Santosh Jaju, Dean (R&D), G. H. Rasoni College of Engineering, Nagpur was invited to conduct an interactive session with students on ~MET IOM's~ NISP (National Innovation and Start-up Policy). He made students understand the intent of the policy which guides the Higher Education Institute Society (HEIs) for promoting student driven innovations and start-ups and how this policy would help to engage the students and faculty in innovation and start-up activities on campus.
Benefits in terms of learning / Skill / Knowledge (150 words)	This policy would streamline and strengthen the innovation and entrepreneurial ecosystem in campus and will be instrumental in leveraging the potential of student’s creative problem solving and entrepreneurial mind-set This policy would also promote a strong intra and inter-institutional partnerships with ecosystem enablers and different stakeholders at regional, national and international level
