

We are all ONE!

We have two eyes,
But lack Vision.
Why can't we see,
We are all One!

Only Soils are different,
But we share the same Sun.
Why can't we see,
We are all One!

We kill our own kind,
Being Human.
Why can't we see,
We are all One!

We urge for peace,
But choose to pick a Gun.
Why can't we see,
We are all One!

Humanity is lost,
But wars are Won.
Why can't we see,
We are all One!

Today you might kill his father,
Tomorrow you'll get killed by his Son!
Why can't we see,
We are all One!

We have taught each other lessons,
But now it is time for us to Learn.
Why can't we see,
We are all One!

Flags are many,
But Patriots are none.
Why can't we see,
We are all One!

Evil has made it's move,
Now it's our Turn.
Why can't we see,
We are all One!

Hatred will lead us nowhere,
Love is what we need to Earn.
Why can't we see,
We are all One!

What a wonderful world it will be,
When there's Joy, Happiness & Fun.
Why can't we see,
We are all One!

Some day you have to accept,
How far will you Run?
Why can't we see,
We all are One!

This planet needs you,
Alone it cannot be done.
Why can't we see,
We are all One!
