

Misunderstanding

Misunderstanding,
Such a long word!
But it would take minutes to ruin relationships..
It's a small bridge between two people,
Broken at the click of a switch..
Yet would take a lifetime to build,
Once broke they can never be repaired as before,
And though repaired,
Doubts would be an uninvited guest.
So handle with care the brittle bridge of love,
None else than you could be,
The Best Caretaker ever!!
