

## DON'T GIVE IN TO FEAR, SUCCESS IS NEAR

She was a girl who was afraid to speak;  
In front of others, her nervousness reached its peak;  
She thought she couldn't, that she was weak;  
A girl in one corner, perfectly meek.

She just wanted to overcome her fear;  
This dream though seemed nowhere near;  
Yet she never lost hope, her vision was clear;  
Her small journey to success began here.

Confident she seemed, all set, with no threat;  
She awaited the day when her goals would be met;  
She couldn't imagine how joyful she would get;  
For her fear is extremely deep-set.

Yet never give up is what she learnt;  
Though surrounded by fire, her confidence never burnt;  
Her thoughts were limited but her dreams weren't;  
She knew how to flow with the current.
